

ZÜNDSCHNUR & BAND

A group of six people, three women and three men, are posed in front of a rustic building. The building's upper section is covered in grey, weathered wooden shingles, with a small window visible. Below the shingles is a section of rough-hewn stone masonry. A vertical wooden post runs through the center of the group. The people are dressed in a mix of styles, including a black blazer, a grey jacket, a black top, and a dark suit. The overall mood is professional yet relaxed.
